

# Donor Recognition Tree

**Have you made your Pledge yet? We need your financial support now more than ever!**

Your generous financial donations are needed to help pay for the construction (***Brick & Mortar Campaign***) of our new Cultural Center and future Church, and to outfit the facility (***Furnish and Finish Campaign***) with the necessities required to conduct our religious, cultural and social activities. By making a donation you will be leaving a legacy for future generations while also supporting our present Ukrainian Community and its rebirth in Northern New Jersey.

To acknowledge our donors, a ***“Recognition Tree”*** will be prominently and permanently displayed in the Cultural Center main lobby. We have multiple donation levels (Diamond, Gold, Silver, Bronze and Patron) that suit everyone’s financial capability. We invite everyone to join an active and growing Ukrainian Community, and to help nurture its continued growth by making a generous donation to our Fundraising Pledge Program.
