Pledge and Recognition Program

Ukrainian American Cultural Center of New Jersey

The Pledge Campaign

The pledge campaign consists of two main components. The first is what we call our ***“Brick and Mortar”*** campaign, which was formally kicked off at the Gala Benefit held in November of 2002. This fundraising campaign is directed at raising funds for the physical construction of the Cultural Center and future Church. To date we have raised nearly \$3,000,000 in pledges and donations. We still need to raise at least an additional \$1,500,000 to meet our expected financial targets.

The second component is what we call the ***“Furnish and Finish”*** campaign, which is formally being kicked off at the Cabaret Fundraiser in April 2006. This fundraising campaign is targeted at raising the funds needed to furnish and finish the facility interiors. We hope that this campaign will raise at least \$250,000. A list of required items and their cost has been created allowing donors the ability to select specific individual items. Recognition plaques or tags will be affixed to the items in acknowledgment of the donation.

The Recognition Program

We are extremely thankful for the generosity of our community, and have full expectation that the donations will increase as construction intensifies toward the completion of the Cultural Center (targeted for the fall of 2006). As an acknowledgement of this generosity, donors will be recognized and their participation memorialized in the form a **“Recognition Tree”**. In addition to the **“Recognition Tree”** that will be permanently displayed in a prominent location in the Cultural Center, donors will have an opportunity to have engraved plaques affixed to rooms and items. Our recognition program consists of five (5) donor levels. Each level includes a different recognition and benefit as follows:
